

# Sand Cake with INAMIN

1 Portion ⌚ 60 Minutes

## Ingredients

225 g Sugar  
140 g Wheat Starch (e.g. FOODSTAR)  
100 g **INAMIN**  
60 g Wheat Flour  
3 g Baking Powder  
1 Pinch of Salt  
240 g Egg  
225 g Oil

## Preparation

1. Mix all the ingredients.
2. Bake the cake for approx.  
40 min. at 175°C.

## Note

Sand cakes made with **INAMIN** are characterized by a very tender crumb with fine pores. Selected ingredients ensure delicate taste and uniform browning of the baked goods. Last but not least the fresh keeping properties are also positively affected when using **INAMIN**.
